A Day with Chunky's (also Meg-Chan's) Teachers *The sequel*

By Harpooner and Meg-Chan

>What Harpooner had to say:
This fic is related to my friend Meg chans fic, the digidestined in a day with Meg-Chan's teachers. Meg-Chan helped me with this fic too (she's in my school). Im Chunky, the real person who really says HUH HUH HUH all the time and harpoons fat people. I made another fic about the digigang visiting my school.

>~Harpooner (aka Chunky)

>What Meg-Chan had to say:
Yes this is the true Meg-Chan!!!!!! Don't believe then I'll review this first and tell you again!!!!!! Anyway I spellchecked her whole fic!!!! Well actually I did a part of it.....(-_-);; So exspect very stupid typos!!!!!! Chunky wrote it so blame her misspelling to her!!!! I was too lazy to spell check the whole thing!!!! Anyway hope you had a good time reading this.....Even though it's a bit weird.....

>AND READ AND REVIEW MY FICS!!!!!!!!!! I let her use my characters since she knows most of them (the teachers ,herself , the students....) and she's my friend. She made up the story line and I made a few corrections and more funny stuff into this fic..
~Meg-Chan
